Biography

Ali Allahverdi is a Professor in the Department of Industrial Engineering of Gazi University since May 2023. Before this appointment, he served as a faculty member in the Department of Industrial and Management Systems Engineering of Kuwait University from September 15, 1995 to May 15, 2023. He worked for two years at Marmara University, Istanbul, Turkey, before joining Kuwait University in 1995. He also worked as a visiting scholar at the Department of Industrial Engineering of Rensselaer Polytechnic Institute, New York, USA from June 15, 2010 to August 20, 2011. He received his B.S. in Petroleum Engineering from Istanbul Technical University, and his M.Sc. and Ph.D. degrees in Industrial Engineering, from Rensselaer Polytechnic Institute, New York, USA. He received Top Cited-Article Award from the *European Journal of Operational Research* in 2012. Furthermore, he received Distinguished Researcher Award in 2003. This award was in recognition of excellent performance and outstanding achievement in research for the previous ten years. Moreover, he received Research Performance Award in 2004 which was in recognition of exceptional results of outstanding significance and demonstrated research output of a conducted project. He also received the Dissertation Prize from Rensselaer Polytechnic Institute, Troy, New York, in recognition of outstanding academic achievement and promise for a successful career in 1993. He has published about 130 papers, receiving more than 8000 citations, in well-known international journals. Moreover, he presented more than 100 papers at international conferences. Furthermore, he has served on the scientific committee of more than 100 international conferences and gave keynote speeches at several international conferences. He has been the editor of *European Journal of Industrial Engineering* since 2007, and served as a guest editor for the *European Journal of Operations Research*, the *International Journal of Production Research*, and the *International Journal of Operations Research*. He is currently serving as associate editor of several international journals and on the editorial board of several other international journals.

Education Information

Doctorate, Rensselaer Polytechnic Institute, College of Engineering, Industrial Engineering Department, United States Of America 1990 - 1992

Postgraduate, Rensselaer Polytechnic Institute, College of Engineering, Industrial Engineering Department, United States Of America 1988 - 1990

Undergraduate, Istanbul Technical University, Turkey 1982 - 1986

Foreign Languages

Dissertations

Doctorate, Scheduling on multiple unreliable sources, Rensselaer Polytechnic Institute, College of Engineering, Department of Industrial Engineering, 1992
